Some are aware of the necessity to awaken and some are not. Upleveling consciousness in order to deal with unresolved issues is a necessity to create, balance, peace and harmony. These 3 words have deep alignments in the body and are not just words, they will have impact on your entire life because when living in "LACK" of anything "Lack" breaks the body and creates massive suffering on all areas of life.

FRUSTRATION, ANGER AND THE INCAPABILITY TO DEAL WITH THINGS CREATES EVEN MORE STRESS, DISEASE AND TRAUMA.

THERE IS A BASICS TO EFFICIENTLY HANDLE ALL OUR ENERGY BODIES, LEARN ABOUT THEM AND TAKE THE OPPORTUNITY TO SHIFT INTO 'DIVINE WILL' FOR FREE WILL ALWAYS STAND IN THE WAY OF ANY CREATION, FOR IT IS EGO BASED.

THE TRANSCENDENCE HAPPENING with the First House into the Rising Sun Alignments OPENS SPIRIT, SPARK, AND SOURCE WITHIN because it teaches how alignment works through the educational alignments offered:

It offers the alignments into which you will feel your own pulse 24/7 and eliminate everything from birth until Now.

With it comes your Energy Signature that comes Alive!

We have been sifting & shifting through a lot in this Life time, and many took the leap of faith to move back in with their Light Vortex to keep the energy Field Crystal Clear from any old invasions which is almost mandatory to keep self from drowning into emotional content that breaks our precious vibe.

With the intensity of the collapse moving through this entire year, we will witness massive more shifts, changes, surprises and the rise of personal truth. Most are not willing to Rise and move in with their Authentic Vortex or Pulse as to protect the self from the old worldly control, so nothing remains beyond your control.

A lot of alignments will be done in the back of the sacral center so you can release the heavy emotional body and replace it with Light Senses.

It will also stop the hormonal Aging process and EXPANDS TIME!

**Everything Black & Blue Ray; and many Blue Gemstones stabilise parallel realms, equality oriented.**

Blue eliminates trauma & transcends into Light Pulses, & you mutate into Light state of consciousness that will effects the light hormonal system, and you will feel strong in the head, the pineal, the thyroid, as you walk lighter on 2 planes.

The Alignments given will assist the individual to rise from cells into mutable light particles creating vortexes making the body feel alive; and rising beyond the death fractured zones that are collapsing further.

The goal here is to open up and settle into the **Omnipotent Transfer portal** WHICH IS A NECESSITY FOR THE ETERNAL BEING THAT YOU ARE to move through and integrate the Higher Planes synchronised in present day evolution as part of the House of the Rising Sun.

**You will be moving through a 7 to 10 days of Transition into your own Vortex, you will receive a personal free session over whatsapp to see how the transition is taking place and how you can adjust at all times.**

This is truly a beautiful opportunity for us to wake up and not be living as the false self, the personality or the ego and fear-based version of reality and to realise that we're at a choice, BECAUSE we can move out of that and into something more authentic which is based in wholeness instead of based in fear and lack and so forth.

THE SUBSCONSCIOUS NEEDS TO BE DELETED BECAUSE IT LEADS TO CONFUSION AND COMMUNICATION GETS COMPLETELY OF OR MISINTERPRETED. THE SAME HAPPENS WITH TELEPHATIC MESSAGES , meaning many things could go ver wrong!

DID YOU KNOW THAT EVERY EMOTION THAT IS SUPPRESSED, CREATES PAIN AND STRESS IN THE BODY. No thing in the incoming months will remain hidden. Sudden eruptions of fear, shame, angers will just come out which may be difficult to deal with for most. And therefor we created these alignments into the

**THE RISE OF THE RISING SUN IS A ONE INTEGRATIVE ALIGNMENT THAT NEEDS TO PROCESS IN THE BODY FOR 3 MONTHS: TO ELIMINATE ALL THOSE DENSE CELLS AND REPLACE THEM WITH LITE/LIGHT PARTICLES THAT OPEN UP YOUR VORTEX.**

**Once your vortex is opened, it is just a matter of allowing the SELF TO KEEP ALIGNMENTS TO THE SELF. Really very simple!**

To be honest, those moving through the alignments that make the body mutable, moved into a new Light Vibration in which they all started to feel the vibration of Living Lite. So the Individual personal free sessions were a huge surprise as each person received a lot more telepathic content that could not be predicted which was quite a treat from Spirit and brought many tears from truth and finding the Self back into a Highway with remarkable New perspectives and ways of alignment that bring everything in Life into Joy and uplifted consciousness.

Enjoy! This first alignment into The House of the Rising Sun also means that the body and the brain goes through a huge seven to ten days of transition that opens transcendence into a new life Form.

Alignments can be done at any time.
