This is the first opening into PLANES 10 & 9 or the aspects termed SHAMBHALLA/SHANGRI-LA As you will move through intense alignments, you will start to understand the 10 Planes of Existence.

It will remove Plane 4, where every collapse is playing out on the earth right now, and moves into Plane 5. In this seminar we will start to move and get to know the planes of existence and what it actually means to move through the long-drawn soul experiences bringing TIMELESS, AGELESS ZONES INTO UNITY.
